If it was me, I would follow them in a car. Too many people.

Thanks Mike, sounds good. Do you think I should carpool with the group or drive myself? Just curious.

Shawn, I would like to go. However, I'm on AL next Tuesday and Wednesday. I need to take and move-in Anthony at college. Mike

Hey Mike,

How are you doing, I hope things are well and you had a great vacation. I was hoping we could go together on this trip. I had Sue do a no cost TA for you and I reserved a car from the 3rd floor. If you can't go, no worries, just wanted to have everything in place.

We can catch up later.
